Nothing is too hard for you

For you Lord

Em (3)

All things are possible

Every wall

F (4)

must fall in your name

F (4) C (1) G (5)

Nothing is too hard for you,

Am (6) G (5)

not for you

Nothing is too hard for you, not for you

You part the sea and heal the blind

In the desert when all hope seems dry

You send the rain you flood the sky

Nothing is too hard for you

The road ahead is too much for me

But for you God it is easy

Nothing is too hard for you
